

## STUDENT CARE & ASSISTANCE

### About Student Care & Assistance (SCA)

Student care and Assistance aids University of Iowa undergraduate, graduate, and professional students experiencing crisis and emergency situations. The team is tasked with general outreach, identifying on and off campus resources, collaborating with campus partners, coordinating follow-ups with students, assisting with navigating processes, and conducting 1-on-1 student meetings.

Assessment is conducted annually. Interactions with students are tracked by a database that breaks down into monthly data points. Below are the nine most common presenting concerns.
