

ADDITIONAL IOWA GROW® QUESTIONS

WHAT IS THIS? We have created additional questions supervisors can use to deepen subsequent Iowa GROW® conversations.

Based on Iowa GROW® feedback we have created additional questions that supervisors may use in subsequent conversations. These additional questions are for:

- student employees who are beyond their first year of employment in your department
- student employees with whom you have had more than two Iowa GROW® conversations
- student employees in their junior or senior(+) years

NOTE: The four core Iowa GROW® questions should be asked in every work-academic connection conversation. Any other questions that you may ask should be asked in addition to the four core questions. The four core questions are essential to Iowa GROW® and will be assessed at the end of the academic year.
