FRATERNITY & SORORITY LIFE PROGRAMS (FSLP)

FSLP is celebrating 155 years of fostering a community committed to belonging, serving, leading, thriving, and succeeding.

- Interfraternity Council (IFC) – 17 Chapters
- National Pan-Hellenic Council (NPHC) – 5 Chapters
- Panhellenic Council (PHC) – 14 Chapters
- Multicultural Greek Council (MGC) – 9 Chapters

The societal impact of COVID-19 exposed gaps in the student support landscape, policy, programming and education, and staffing needs for FSLP. Therefore, this school year was **foundation-building**. For our FY21 and FY22 assessment plans, FSLP used/is using **the Fraternity and Sorority Life Strategic Plan: Moving Forward Together (2018)** as the grounding for how we move forward. Additionally, we are using these two years to gather baseline data to inform us on how we should improve or change or adjust.
