

STUDENT HEALTH

Student Health is a full-service family medicine clinic that specializes in college healthcare. We provide family medicine, psychiatry, gynecology, and other services tailored to University of Iowa students. Our main Student Health Clinic (to see a provider by appointment) is located at 200 Newton Road, Westlawn Building. Our walk-in, nurse-only clinic, IMU Nurse Care, is at G103 IMU.

Services

- Family Medicine
 - Evaluation and treatment of acute illness and injury
 - Non-urgent health issues (skin issues, sleep concerns)
 - Health maintenance visits (physical exams, preventive care)
 - Chronic disease management (diabetes, asthma)
 - Minor procedures
- Gynecology
 - Contraceptive management, pap smears, procedures (IUD, contraceptive implants)
- Psychiatry
 - Evaluation and management of mental health/psychiatric issues/ADHD
- Disease outbreak management
- Allergy injections
- Immunizations
- Laboratory (CLIA certified)
- Access to UIHC specialists, imaging, and complex lab
- Close collaboration with Univeristy Counseling Service and Student Wellness
- Campus consultation on public health issues and initiatives
- Nurseline for questions, test results, health guidance

Costs

Health fee is assessed by semester hour and makes the following possible:

- Unlimited office visits with a provider at no cost. An office visit is the provider's evaluation and management of your care.
- Charges for other services are billed to insurance with balance transferred to U-bill
- Discounted fee schedule
- Financial assistance if needed

26,500 

Average visits per FY

25,000
